Certain visitors to TextBookMe's service choose to interact with TextBookMe in ways that require TextBookMe to gather personally-identifying information. The amount and type of information that TextBookMe gathers depends on the nature of the interaction. For example, we ask visitors who sign up for TextBookMe to provide an email address. In each case, TextBookMe collects such information only insofar as is necessary or appropriate to

fulfill the purpose of the visitor's interaction with TextBookMe. TextBookMe does not disclose personally-identifying information other than as described below.

TextBookMe takes commercially reasonable measures reasonably necessary to protect against the unauthorized access, use, alteration or destruction of potentially personally-identifying and personally-identifying information.

If you are a registered user of TextBookMe and have supplied your email address, TextBookMe may occasionally send you an email to tell you about new features, solicit your feedback, or just keep you up to date with what's going on with TextBookMe and our products. If you are located in a jurisdiction that requires opt-in consent for such communications, we will only send you such messages if you opt-in to receive them. We primarily use our various product blogs to communicate this type of information, so we expect to keep this type of email to a minimum, and you may unsubscribe at any time.
